

# We're glad you're part of our health plan

Every year, your value-added services, or extra benefits, can change.

We want to let you know about important changes to your extra benefits, starting September 1, 2024.

The following benefit changes affect the section in the member handbook about extra benefits and how to get these services:

- Rides benefit expanded to include trips to food banks and pantries, meetings of grief support groups, Anonymous groups, or National Association of Mental Illness (NAMI) groups.
- The stop vaping/smoking program for teens is no longer available.

You can find more benefit details, including exclusions and limitations, in the newest member handbook. Get a copy for free at [wellpoint.com/tx/medicaid](https://wellpoint.com/tx/medicaid).
