

Electronic Visit Verification

EVV Policy Handbook Revision Log – September 2024

Health and Human Services Commission (HHSC) published the information below to describe the changes made to the [Electronic Visit Verification \(EVV\) Policy Handbook](#) on September 12, 2024.

Due to the extensive changes in this revision, the table is organized by Section number rather than by EVV policy type. The format is used for the tables below:

- Above each table is the main Policy Handbook Section. The tables list the following information about the policy:
 - The left column lists the name of the subsection found in the EVV Policy Handbook.
 - The right column lists the subsection number and revisions found in the EVV Policy Handbook.

Universal Changes

Effective May 1, 2023, HHSC contracted with a new state provided EVV system vendor, HHAeXchange. The HHAeXchange contract was implemented October 1, 2023, which resulted in a change from two state provided EVV system vendors to one. All references in the EVV Policy Handbook to multiple state provided EVV system vendors and “vendor pool” have been updated to reflect a single state provided EVV system vendor.

Updates to grammar and punctuation are not included in the tables below.

Handbook Section Renumbering

A new Section 8000, Calculation of Bill Hours, was inserted into the EVV policy handbook. As a result, former policy handbook Sections 8000 - 16000 have been renumbered, and former policy handbook Sections 9000 and 14000 have been renamed as follows:

- Former Section 8000, Visit Maintenance, is now Section 9000
- Former Section 9000, EVV Reason Code, is now Section 10000, Reason Codes
- Former Section 10000, EVV Compliance Reviews, is now Section 11000 with the following changes

 - Section 10040, HHSC EVV Informal Reviews and MCO Disputes, is now Section 11030
 - Section 10050, Formal Appeal of HHSC Enforcement Actions, is now section 11040

- Former Section 11000, Usage, is now Section 12000
- Former Section 12000, EVV Claims, is now Section 13000
- Former Section 13000, Reports, is now Section 14000
